Contents

Executive Summary	i
Glossary of Terms and Abbreviations	xx
1. Introduction	1
1.1 The Pacific Highway Upgrade Program	1
1.2 Project Overview	1
1.3 Report Purpose and Structure	4
1.4 Study Area for the Project	4
1.5 Overview of Project Methodology	5
2. Project Development – Requirements and Methodology	6
2.1 Project Details	6
2.2 Project Objectives	6
2.3 Design Requirements	7
3. Study Area Characteristics	11
3.1 Local Community	11
3.2 Existing Highway Corridor and Alignment	14
3.3 Traffic and Transport Characteristics	18
3.4 Land Use	28
3.5 Heritage	33
3.6 Visual Amenity	41
3.7 Noise	42
3.8 Ecology	42
3.9 Topography, Geology and Soils	67
3.10 Geotechnical Issues	77
3.11 Hydrology and Flooding	78
3.12 Water Quality	81
3.13 Public Utilities	81
4. Context for the Project	85
4.1 Planning Context	85
4.2 Transport Context	91
4.3 Adjoining Projects	93
4.4 Need for the Project	93
4.5 Upgrading Scenarios	95

5.	The Route Options	97
5.1	Description of the Route Options	97
5.2	How Were the Options Developed?	109
5.3	Summary of Characteristics of Route Options	111
6.	Outcomes of the Public Display	120
6.1	Introduction	120
6.2	Activities associated with the Route Options Public Display	120
6.3	Overview of Issues	124
6.4	Route Preferences Expressed by the Community	135
6.5	Alternative Route Suggested by the Community	138
7.	Value Management Workshop	143
7.1	Introduction	143
7.2	Route Option Assessment	143
7.3	Summary of Assessment Results	145
7.4	Issues Raised at the Value Management Workshop	146
7.5	Refined Orange Option	149
8.	Project Team Route Selection Workshop	153
8.1	Introduction	153
8.2	Key Principles	153
8.3	Assessment Criteria	153
8.4	Assumptions	155
8.5	Scoring and Ranking Process	155
8.6	Summary of Recommendations	157
9.	The Preferred Route	158
9.1	The Preferred Route Corridor	158
9.2	Reasons why the Preferred Route was Selected	158
9.3	Description of the Preferred Route	163
9.4	Summary of Characteristics of the Preferred Route	175
9.5	Potential Impacts of the Preferred Route	179
9.6	Strategic Cost Estimates	210
10.	The Next Steps	216
10.1	Oxley Highway to Kempsey Upgrade	216
11.	Bibliography	218

Table Index

Table 2.1	Minimum Carriageway Configuration	9
Table 3.1	Existing Bridge Width and Load Conditions	16
Table 3.2	Accesses Along Pacific Highway	17
Table 3.3	Highway Traffic Volumes and Level of Service (2004)	19
Table 3.4	Matched Number Plates – Total Traffic	20
Table 3.5	Rare or Threatened Flora Species With Potential to be Present Within the Study Area	50
Table 3.6	Threatened and Migratory Fauna Species With Potential to be Present Within The Study Area	54
Table 4.1	LEPs Applicable to the Study Area	86
Table 4.2	Strategic Planning	89
Table 4.3	Transport Planning	90
Table 4.4	Predicted Traffic and Level of Service Summary 2016 and 2036	91
Table 4.5	Upgrade Timing	94
Table 5.1	Project Sections	97
Table 5.2	Characteristics of all Route Options – Section A	112
Table 5.3	Characteristics of all Route Options – Section B	114
Table 5.4	Characteristics of all Route Options – Section C	116
Table 5.5	Characteristics of all Route Options – Section D	118
Table 6.1	Feedback from Statutory Agencies	128
Table 7.1	VMW Assessment Criteria – Functional Category	144
Table 7.2	VMW Assessment Criteria – Social and Economic Category	144
Table 7.3	VMW Assessment Criteria – Natural and Cultural Environment Category	144
Table 7.4	VMW Ranking of Route Options - Section A	145
Table 7.5	VMW Ranking of Route Options - Section B	145
Table 7.6	VMW Ranking of Route Options - Section C	145
Table 7.7	VMW Ranking of Route Options - Section D	146
Table 7.8	Issues Raised at the VMW with Responses	147
Table 8.1	Project Team Assessment Criteria - Functional	153
Table 8.2	Project Team Assessment Criteria - Community	154
Table 8.3	Project Team Assessment Criteria - Environment	155
Table 8.4	Project Team Ranking of Route Options – Section A	156
Table 8.5	Project Team Ranking of Route Options – Section B	156
Table 8.6	Project Team Ranking of Route Options – Section C	156
Table 8.7	Project Team Ranking of Route Options – Section D	156
Table 9.1	Preferred Route Corridor	158

Table 9.2	Preferred Route Characteristics	176
Table 9.3	Comparative Scope Definition of each Section of the Preferred Route for the Class A Upgrade Scenario	211
Table 9.4	Comparative Scope Definition of Each Section of the Preferred Route for the Class M Upgrade Scenario	212
Table 9.5	Class A Strategic Cost Estimate for the Preferred Route	213
Table 9.6	Class M Strategic Cost Estimate for the Preferred Route	214
Table 9.7	Strategic Cost Estimate Summary for the Preferred Route	215

Figure Index

Figure 1.1	State Map	2
Figure 1.2	Study Area	3
Figure 2.1	Typical Cross Section	8
Figure 3.1	Estimated Interstate Freight Movements (2002 – Million Tonnes Per Annum)	22
Figure 3.2	Estimated Interstate Freight Movements 2026 (Low Rail Share – Million Tonnes Per Annum)	22
Figure 3.3	Estimated Interstate Freight Movements 2026 (High Rail Share – Million Tonnes Per Annum)	23
Figure 3.4	Crash Locations	25
Figure 3.5	Crash Rate per 100 Million Vehicle Kilometres	27
Figure 3.6	Existing Land Use	31
Figure 3.7	Indigenous Heritage Sites	35
Figure 3.8	Non-Indigenous Heritage Sites	39
Figure 3.9	Ecological Characteristics – Terrestrial Flora	47
Figure 3.10	Vegetation Communities	49
Figure 3.11	Endangered Ecological Communities	57
Figure 3.12	Ecological Characteristics – Terrestrial Fauna	59
Figure 3.13	Legend for Ecological Characteristics – Terrestrial Fauna	61
Figure 3.14	Ecological Characteristics – Aquatic	65
Figure 3.15	Topography	71
Figure 3.16	Soft Soils	73
Figure 3.17	Acid Sulfate Soils	75
Figure 3.18	Watercourses and Water Storage Features	79
Figure 3.19	Public Utilities	83
Figure 4.1	LGA / LEP Boundaries	88
Figure 5.1	Route Options Plan	99
Figure 6.1	Which Route Best Addresses the Issues?	135

Figure 6.2	Preferred Option by Locality of Residence	136
Figure 6.3	Key Issues to be Considered in the Selection of a Preferred Route	137
Figure 6.4	Alternative Route Suggested by the Community	141
Figure 7.1	Refined Orange Option	151
Figure 9.1	Preferred Route	161
Figure 9.2	Preferred Route - Section A	167
Figure 9.3	Preferred Route - Section B	169
Figure 9.4	Preferred Route - Section C	171
Figure 9.5	Preferred Route - Section D	173
Figure 10.1	Option Development Process and the Next Steps	217
