

Oxley Highway to Kempsey

Upgrading the Pacific Highway

LEGEND

STUDY AREA CHARACTERISTICS

- Note: 1. More information on the study area is shown in the route options development report.
 2. Coloured options represent 250 m wide corridors, however the options are not shown to scale, in terms of width or alignment, on this map. These options are shown adjacent to each other for illustration purposes only. Refer to individual options display panels for true representations.
