

# **GHD** Transport Planning & Traffic Engineering

WATER | ENERGY & RESOURCES | ENVIRONMENT | PROPERTY & BUILDINGS | TRANSPORTATION

**Our transport and traffic team has extensive experience in planning, design and management of all facets of traffic engineering and transport planning projects.**

By working with us, you'll enjoy leadership through innovation, experience, reliable service and world-class technology. We provide bespoke consultancy services for local governments, government traffic and transport authorities and private clients.

Here's where we've done it before:

- Woollahra traffic and transport study, New South Wales
- Greater Suva traffic and transport study, Fiji
- Hamad General Hospital and Rumailah Hospital, Qatar
- Integrated traffic model for Auckland, New Zealand
- Surfers Paradise traffic modelling plan, Queensland
- Shanghai metropolitan transport, China
- Scoresby integrated transport study, Victoria

## Services

- Traffic and transport studies
- Traffic impact assessments
- Traffic and transport modelling
- Parking studies
- Strategic route planning and feasibility studies
- Traffic management studies
- Public transport analysis
- Road safety audits
- Bicycle and pedestrian planning studies
